Please **arrive** at the club either through the birdcage or from the ramp along the platform. **Sanitise** hands from the dispenser outside the door *before* touching the door.

We have implemented a one-way system so please go **up the inside stairs** to the bar. When leaving the bar area for any reason, use the **outside stairs down from the balcony**. If you require use of the stair lift, this is still available.

You may have to queue for the **order point of the bar** to be served. Please observe 2m distancing, then order and pay *using a contactless card*. Bar staff will ask and note down your name for contact tracing.

Move 2m to the left to collect drinks from **collection point**

Take your seat with your household/ bubble at your table *without moving placement of any table*. Chairs may be moved but 2m distance must be observed from those at other tables. No one is to remain standing at the bar or elsewhere inside.

Enjoy being back in the club! But please no singing or shouting due to aerosol transmission.

Do not be afraid to ask another member 'to keep their distance', but always do so politely

Bring empty glasses, bottles and cans to the **empties table** at the end of the bar.

Sanitise hands outside toilets before entering and wash hands for 20seconds before you leave the toilets. **Men - follow one way system**, leaving by the changing rooms (which aren't in use). Ladies – if both cubicles are in use wait outside on the platform. If returning to the bar go **up the interior platform stairs**.

Before leaving the club please **tell bar staff you are leaving**, and **wipe clean the table** before others use it.

Please **exit** the club down the deck stairs and *through the lower saloon or birdcage*.
